

Judge Morrison, Division E
State Court of Fulton County
COMMUNITY SERVICE POLICY

The Court prefers community service to be performed in Fulton County. If a Defendant lives outside of Fulton County and/or has transportation challenges that make performance in Fulton County difficult or impossible, he or she should inform the Court of those circumstances at the time of sentencing.

Community Service should be performed in an charitable, not for profit organization (typically those with 501(c)(3) tax status). Church or worship focused religious organizations are generally not acceptable.

The Court reserves the right to approve or disapprove the selection of an agency or organization for community service obligations.

Volunteering with an organization with which a Defendant has an existing family tie (such as coaching your child's soccer team) is not acceptable for community service.
